RM's Michigan Fall Classic Car Show & Auction Moves To The New Rock Financial Showplace - September 23-25, 2005 in Novi, MI

YPSILANTI, Michigan (August 31, 2005) – It's a match made in car heaven – the mid-west's largest indoor classic car auction event finds a new home inside Michigan's largest privately owned convention center – the new \$18 million, state-of-the-art Rock Financial Showplace in Novi, northwest of Detroit.

RM Classic Cars, Inc. has assembled an impressive collection of hundreds of the country's finest collector vehicles, from 50's & 60's classics to legendary sports and muscle cars for its annual 2005 Michigan Fall Classic Car Auction – September 23-25 which attracts thousands of collector car enthusiasts from the mid-west and Canada.

Headlining this event is a one owner, unrestored original 1968 Plymouth Hemi Roadrunner with only 14,906 actual miles from new. The exceptional Roadrunner offered here was ordered from the factory with a 426 cu. in. Hemi engine, four-speed transmission and has been under the same ownership since new. Comes with full documentation, including the original bill of sale, owner's manual, warranty letter and color brochures. One of the highly most sought after muscle cars Detroit has ever produced and will be offered at "no-reserve".

Over 300 collectable cars are expected at RM's annual sale including the rarest of the Galaxie series – a highly desirable and fully restored 1959 Ford Skyliner. Finished in blue and white with matching interior, with an innovative power hard top folds away neatly into the trunk.

For pre-war collectors, the sale offers a classic 1939 LaSalle Sedan with only 79,000 careful miles registered on the odometer and still maintains its original interior. A recent participant at the Meadow Brook and Willistead Concours D'Elegance events.

An award-winning 1932 Ford Hi-Boy Roadster will also make the scene, powered by a traditional flathead V8 with polished Offenhauser heads, dual carburetors, Fenton headers with "side-dumps" and stainless steel exhaust. This investment quality hot rod sports a Lebaron-Bonney leather interior, convertible top and fully detailed chassis.

The new Rock Financial Showplace located at 46100 Grand River Avenue in Novi, offers approximately 320,000 sq. ft. of exhibition space, formal banquet halls, full service concession areas, high ceilings and approximately 2,500 parking spaces with easy access via I-96 and I-696.
